GUIDELINES, POLICIES AND INFORMATION

NSF Charges: A surcharge of \$25.00 per any item returned NSF will be imposed and your child’s participation in ball will be suspended until the cheque and surcharge are cleared up.

Refunds: If your child declines to participate in ball and one week notice or more is given prior to the start of the season (April 15th), a full refund will be issued. If for reasons beyond our control, the ball program is cancelled or cannot be offered at your child’s age level (ie: no team), a full refund will be issued.

Volunteer Time: For the 2011 Season, there will be NO REQUIRED volunteer concession shifts. The Millet Minor Ball Committee Members have decided to work the concession shifts themselves. Of course, you may still sign up to work a shift or two if you wish to help the committee out. We always are in need of committee members, coaches and umpires if you are able to commit some time.

NOTE: NO ONE UNDER 18 ABLE TO WORK CONCESSION SHIFT!

Coaching: Each team is required to have one Head Coach and a minimum of one to a maximum of three Assistant Coaches. Head Coaches are required to take or be NCCP Certified at Level One. If you wish to coach, our club will pay your fees for taking this course. Assistant Coaches are welcome to take this course as well, at their own expense. Registration in the courses is required early. The Head Coach should be able to commit to attend 85-100% of their teams games and practices. Each Assistant Coach should coordinate with the other(s), so at least one Assistant Coach will be at all games and practices to support their Head Coach. All coaching positions are volunteer. Your commitment to coach must be made prior to regulation game start (usually April 30th).

Committee Members: Millet Minor Ball is operated solely by volunteer members, no position is paid, nor remuneration is given. Running a program such as this requires many hours of dedication, discussion and decision making during the start up and into the full swing of the ball season. Various other meetings are held throughout the rest of the year. The more members we have on the committee, the less time commitment for each person. Every bit of help is needed and appreciated.
